HSBC BANK WIRE INSTRUCTIONS – GBP ACCOUNT

For customers sending funds in British pounds.

To keep your account safe and secure, **we do not accept third-party payments**. Please ensure that **the name on the bank account matches that of the Kitco account holder**, or we'll have to return the payment. To find out more about our security measures, give us a call on +1 877-775-4826 (US and Canada) or +1 514-875-4829 (Worldwide).

Please note: to ensure compliance with anti-money laundering/counter-terrorist financing regulations, incoming payments are subject to review. We may request additional information or documents to clarify the source of funds.

Are you sending a bank wire transfer from overseas?

When sending bank wires overseas, there are intermediary banks that charge additional fees prior to the funds being received at Kitco's bank. In order to avoid processing delays, please inform your bank that you require the exact amount of your order to reach Kitco. Your bank should be able to advise you as to how much you will need to send in order to cover all applicable fees.
