HSBC BANK WIRE INSTRUCTIONS – USD ACCOUNT

For customers sending funds in US dollars from a **bank in the United States**

To keep your account safe and secure, **we do not accept third-party payments**. Please ensure that **the name on the bank account matches that of the Kitco account holder**, or we'll have to return the payment. To find out more about our security measures, give us a call on +1 877-775-4826 (US and Canada) or +1 514-875-4829 (Worldwide).

Destination/beneficiary bank	
Bank name:	HSBC Bank USA, National Association 452 Fifth Avenue New York, NY 10018 U.S.A.
ABA #:	021001088
Beneficiary name:	KITCO METALS INC. 64 Lake Street, Suite 101 Rouses Point, NY 12979 U.S.A.
Beneficiary account #:	751721034
Reference:	Account holder name (Kitco account number) If permitted by your bank, please ensure that there is a parenthesis before and after your Kitco account number. Example: John Smith (0123456)

Please note:

- To ensure compliance with anti-money laundering/counter-terrorist financing regulations, incoming payments are subject to review. We may request additional information or documents to clarify the source of funds.
- **Kitco does not accept Automatic Clearing House (ACH) payments.** This type of payment will be rejected by our financial institution.
- **Important notice for Bank of America customers - Use same-day bank wire option:**
If you are wiring funds through Bank of America online, please select the same-day bank wire option to ensure the funds are properly received by Kitco. Bank of America's online service also offers one (1) and three (3) day bank wire options which are both considered ACH transfers and will be rejected.
- **Sending a bank wire transfer from overseas?**
When sending bank wires overseas, there are intermediary banks that charge additional fees prior to the funds being received at Kitco's bank. Please inform your bank that you require the exact amount of your order to reach Kitco, so they advise you how much you will need to send in order to cover all applicable fees
